

Intermediate Program

For musicians who are finishing grade 7 or 8

The KISSM Intermediate Program is designed to take young musicians, no matter where they are at, to the next level in their musical development. Our goal is to inspire, excite, challenge, and support young musicians as they learn and grow. Young musicians will choose either the **Band Program** or the **Choir Program** in the morning, and then choose two electives for the afternoon (page 4.) Students will have the opportunity to play, to sing, to act, to explore and to develop confidence and leadership skills.

KISSM Intermediate Programs - Morning

All musicians in the KISSM Intermediate Program will spend their mornings in either the **Choir Program** or the **Band Program**.

Choir Program

This morning program is perfect for any young musician who enjoys singing! Students do not have to have any experience with singing or choir, as long as they are eager to learn and participate! During the 3 weeks of KISSM, participants will discover many aspects of choir including learning choral repertoire that will have the students singing in three and/or four-part voicing. It is designed to build strong musicianship and develop mastery of the skills and concepts required to sing beautiful choral music including rhythmic and melodic independence of parts. Additionally, musicians will work on the fundamentals of singing and voice technique. Explorations will focus on breathing, intonation, line, and developing healthy singing habits. Students will explore a variety of styles and are sure to gain confidence as singers while having fun with others.

Band Program

Young musicians in the **Band Program** will be placed in one of our fantastic band classes. On the first morning of KISSM, all instrumental students (except for complete beginners) will meet with a KISSM faculty member in order to determine which ensemble will best fit their skill level. **Students will be asked to play during this meeting, but don't need to practice or prepare anything special. Any students who feel anxious or uncomfortable about this placement audition will be given special assistance.**

All students registered for the **Band Program** must bring their own band instrument on the first day of KISSM. If you don't own an instrument one can be rented from Long and McQuade.

Traditional Concert Band instrumentation includes woodwind, brass and percussion instruments ([click here for a comprehensive list of Concert Band instruments](#)). Please note that electric bass guitar can not be supported in Concert Band. Young musicians who play electric bass should consider upright bass if they wish to be a part of the KISSM Concert Band Program.
