

Coffee Break for Kids Leader's Checklist

Coffee Break for Kids is a fun way for you and your coworkers to support music education programs for youth in Kamloops.

As the Coffee Break leader you might:

- Put up a Coffee Break for Kids poster in your office or office to help us spread the word (poster is available for download on the Coffee Break For Kids page of our website)
- Organize a group of friends or co-workers to enjoy a coffee break together
- Encourage people to sign up so they get their own box of goodies on Coffee Break Day (Oct 26)
- Register your group through our website
- Collect money from your group (\$20 per person) or individuals can register themselves using your name as their Coffee Break Leader
- Also download the Maxogram app on your smartphone for a special surprise message on Coffee Break for Kids Day!

On Coffee Break for Kids Day (Oct 26th 2018) We ask the Coffee Break Leaders to:

- Serve as main contact with Kamloops Music Collective
- Help with delivering boxes to your group
- And finally, put on a pot of coffee or brew up some tea for the participants to enjoy with their treats!

You and your group will be able to then enjoy the tasty snacks provided by Chef Carly Harding from Gold Leaf Pastries. Along with a special message from the our valued sponsor Portfolio Interiors.
