Since 1978 the Kamloops Interior Summer School of Music (KISSM) has been inspiring young people to follow their passion for music and the arts. Every July emerging musicians gather for our three-week music program, which is led by music educators and professionals, with additional support from university students who have a love of music.

With more than 30 classes, activities, and performance opportunities, KISSM inspires and educates young musicians on many levels through a wide range of genres. There is something for everyone at this well loved camp.
